**PRESIDENT'S MESSAGE****Mary Preble****President's Comments**

As we all look forward to January 20<sup>th</sup> and the beginning of a time of change and non-conformist Presidential behavior, we want to look forward to how we will be a part of these changes. While words like unorthodox or unordinary are words that make some uncomfortable, remember that we are the ones who asked for the change. We can't have it both ways – business as usual but drain the swamp? We need to keep an open mind as we analyze what is truly happening. Are we going to step up our game and be more involved? Are we recharged to hold the line on those who are still wanting to raise taxes in southern Arizona? Are we going to stand behind our elected officials who back a fiscally conservative eye to government spending?

And I have to say how proud I am, again, to be President of this club. We elected four members to the Pima County Executive Committee and have more candidates running at the state level. Congrats to Susan Smith, Debe Campos Fleenor, Dolores Johnston and some other schmuck who takes the minutes and throws in too many comments. I also have optimism for our state candidates, Cindy Coleman and Debe Campos Fleenor. I hope I have not missed anyone and ask that our members reach out to these two candidates to see how you can help in Phoenix.

Enjoy this newsletter put together by our co-editor, Michelle Ludwig. Thank you, Michelle, for making this a shared effort.

Mary Preble

**MEMBERSHIP****Susan Smith**

Welcome to all of our new members and a big shout out to those of you who have renewed your membership. We had a very successful Silver Tea which is the start of our membership year. I am including in the newsletter the roster of the current members. If your name is not on the report, you have not renewed your membership for this year. First quarter report is due on January 15 so you have a week to mail me a check for \$25 to get you renewed for this year. We have a full schedule of events for this Spring. Be sure to get in on the action and become part of the fun in MAKING AMERICA GREAT AGAIN.. Lots going on both with our club and the Pima GOP.

Susan Smith

### MAKING STOCKINGS FOR FEMALE VETERANS AT THE VA HOSPITAL

The Christmas stocking distribution this year took on a whole different life of its own!! We began with a sew-a-thon on December 10 in the afternoon at Brewd, the coffee house restaurant owned by Kate Preble. There were ten of us ladies attending (including two non-members) and despite the jovial conversations, we managed to get 17 stockings decorated in record time. We were treated to drinks by Ms. Lou Ann and scrumptious cake by Ms. Kate. It was a really great time for all involved to create for the women veterans.

On Friday, December 23, at 8:30 AM, Lauren Blevins and I met with the three soldiers in their dress uniforms (with all the bells and whistles), AND shiny shoes! The "eye candy" they talk about at the VA Hospital. We spent the next two hours delivering the stockings to the ladies in the hospital. All were very pleasantly surprised and very gracious in accepting the gifts. We all probably overwhelmed the patients but they were very happy that we had remembered them at this special time of year. I especially love to talk to all the people there and we spent time with each patient. Even though we were there for the ladies, we spent some time with male patients who were "roaming the halls". Hopefully we can do the stockings again next Christmas. It is a joyful activity to be involved with.

Thank you all for your support of this project.

Ann Kellison, Americanism

Our cute stockings were pre-cut and be-ribboned by Cindy Coleman. Thank you for making this so easy for us!

### Help Wanted

### Help Wanted

With the new year comes a need to fill some of the chairman positions. Here is a list of the needed posts:  
Bylaws – Communications/PR – Education/Literacy

As always, we will need helpers on these committees, the biggest being Ways and Means (see Tiana) and Silver Tea (TBD). We all chip in where needed so fear of chairing a committee should not be a problem. If you are new to the club and want to see what is going on, we will reach out to you to see if you are ready to get involved.

Additional volunteerism needs – The Pima County GOP will be looking for volunteers for 4 hour stretches when we re-open the office.
